## **1. Welcome:**

Thank you for choosing Calvary Chapel Buhl's *All the Little Children Preschool & Daycare*. This fall we are celebrating the beginning of our sixth year serving the community of Buhl, Idaho. The Lord has provided for and blessed our previous years and we look forward to His continual provision and blessing in the years to come. We are very excited to see what God will do this year and look forward to experiencing all that He has for us in 2018-2019.

### **A letter from our Pastor, Jackie Roberts:**

Dear Parents,

I, Jackie Roberts, would like to personally thank you for choosing All the Little Children Preschool & Daycare to meet your preschool and child care needs. We as a staff believe that as children develop it is important to meet their physical, emotional, educational, and spiritual needs while preparing them for their future academic success. Our staff believes that each child is unique and important. We believe that God has created each and every one of them for a purpose and has a plan for their lives. Our goal as a staff is to meet the needs of each child, while helping him or her develop a personal relationship with Jesus Christ.

As we look forward to beginning another school year at All the Little Children Preschool & Daycare, I am excited to see what God has in store for us as a staff, you as parents, and most importantly the little children who will fill the chairs in each classroom. I know that God has a plan for each and every one of us, and that his plan is meant for both our good and his glory. As your children grow and learn, our prayer is that they will find the path God has for them and that they will follow it all the days of their lives.

Once again I would like to thank you for choosing Calvary Chapel Buhl's All the Little Children Preschool and Daycare and I look forward to seeing your little ones grow in God's grace.

Sincerely,

Pastor Jackie Roberts

### **A note from our daycare:**

Welcome to All the Little Children Preschool and Daycare!

We are so excited to begin this new school year and to see how much your children will learn and grow.

Preschool is a big step for your child, one that will begin to lay a solid foundation for their future. We hope that during your child's time here, we can help nourish them spiritually, academically, physically, socially, and emotionally. We also hope to instill in them a hunger for learning that will continue on for many years to come.

We can't wait to see what great things God has in store for all of us, and especially for each precious child that will be attending here.

We sincerely hope this will be the beginning of a rewarding and trusting relationship between your family and us. This handbook is meant to serve as a guide to what you should expect from us as well as what your responsibilities are. Should you have any questions or concerns about these policies and procedures please feel free to visit with us.

*Affiliation:*

We are a Calvary Chapel fellowship. Our church has a Sunday morning service at 10AM and a Sunday evening service at 6PM. We also have a Wednesday evening service that meets at 7PM.

**2. Guiding Biblical Principle:**

*"Come to me, all you who are weary and burdened, and I will give you rest." Matthew 11:28*

At All the Little Children Preschool & Daycare, we're dedicated to giving your child the best start on life by laying the foundation for a lifetime of learning. We advocate helping children develop personal integrity and enable them to think critically, work cooperatively, and solve problems creatively. Our curriculum provides experiences that enable children to make sense of what they are learning and to connect their knowledge to everyday life.

**3. Mission Statement:**

Our mission is to provide each young child with a Christ centered education that not only prepares him or her academically for the future, but also promotes his or her growth towards a personal relationship with Jesus Christ. We are committed to preparing your child spiritually, intellectually, academically, physically, socially, and emotionally.

We believe as a staff that we are examples of Christ love for each child and we will use the biblical definition of love to meet the needs of each child placed in our care.

*Love is patient and kind. Love is not jealous or boastful or proud or rude. It does not demand its own way. It is not irritable, and it keeps no record of being wronged. It does not rejoice about injustice but rejoices whenever the truth wins out. Love never gives up, never loses faith, is always hopeful, and endures through every circumstance. 1 Corinthians 13: 4-7*

#### **16. Items from home:**

We want your child to feel safe and at home in our facility, but we would also like to ensure that special toys and other items from home be left at home to prevent losing, damaging, breaking, or being taken by another child. We do provide water bottles, sippy cups, and blankets that are sanitized and cleaned every day.

*The following is daycare only...*

We also brush our teeth every day after lunch to encourage good hygiene. The toothbrushes are kept in separate cases. Every 3 months, we will give each child a new toothbrush.

A lost and found bucket can be looked through for missing items. Just ask a teacher for help.

#### **17. Dress Code:**

Here at All the Little Children we encourage individuality as well as modesty. We encourage you to dress your child in appropriate clothing for their age and gender as well as seasonal clothing. We play outside every day, in all different weather; **so please dress your child accordingly.** In the winter we would love for you to bring snow pants, snow boots, gloves, a hat, a scarf, and a coat. These items will be kept in their cubbies for you to take home every day. This dress code is put in place to ensure as they grow and develop they will know what to wear throughout different seasons.

*Please make sure to keep an extra change of seasonal clothes in their cubby no matter what, there is always something that may come up. Remember to check their cubby and bring back more if your child is sent home with theirs.*

#### **18. Discipline and Guidance Policy:**

*Our policy order: Positive redirection, a warning, time out, sitting in the office with a teacher, and a call to parents by administration.*

We believe the best way to prepare children for future success is to help them develop self-control, resolve conflicts, and become increasingly responsible for their actions and behaviors. Adults must model desirable behavior in order for children to learn to understand, acknowledge, and cope with their feelings. We accomplish this through the use of positive guidance techniques that offer developmentally appropriate choices and set clear and consistent rules and consequences. Children must be involved and learn to work with each other, with teachers, and with materials and equipment to learn how to work and play harmoniously.

Sometimes children may be separated from the group for short periods when they need a quiet place away from the overwhelming emotions of peers and play. At All the Little Children Preschool & Daycare, this cooling-off period, often called "Time Out", is only used judiciously and as a last resort for serious behavior problems. We firmly believe children should never be made to feel humiliated or rejected. Physical, verbal, or emotional punishment or abuse is never allowed. If we have concerns about a child's behavior, we will inform his/her parents/guardians as soon as possible and collaborate on a plan of action for positive change.

#### **19. Health and Immunization Records:**

State licensing standards require specific medical and immunization information to be on file for each child within one week of enrollment. Whenever your child receives an immunization, it is very important for you to give us a copy of its documentation from your child's health care provider in order to keep your child's records up-to-date.

We will be using a state wide program called IRIS to help us keep track of immunizations on your child. Please fill out the attached form as consent for us to access this information from your doctor. If a medical or any other type of emergency situation occurs we will take whatever steps are needed, including calling 911 if necessary, to obtain an appropriate and expeditious response. Parents/guardians will always be contacted as quickly as possible and advised of the situation. Please make sure your child's registration information is up-to-date at all times. It's important to us to take proactive steps to protect your child's well being at all times, but from time to time, accidents do occur. All injuries will be documented carefully and you will be fully informed.

*Please fill out the emergency forms attached for your child's safety.*

## **20. When Your Child is Sick:**

If your child becomes ill while at school, we will notify you immediately so you can make arrangements for pick up. A child who has become ill will be separated from the other children and we will do our best to comfort him/her. We will record the name of the child affected, the time, date, symptoms, who was notified and any actions taken.

To attend school your child needs to be well enough to function in a group.

If your child exhibits any of the following symptoms, he/she must be excluded from attendance:

- Has or has had a fever at or above 100.4 F within the past 24 hours, regardless of its cause.
- Is vomiting or has an upset stomach accompanied by diarrhea.
- Shows evidence of a communicable disease, such as chicken pox or pink eye.
- Has an undiagnosed rash.
- Has discharge from the eyes, ears, and/or profuse colored nasal discharge.

In order to return to school, your child needs to be free of all symptoms for 24 hours.

We ask that All the Little Children Preschool & Daycare be notified with a diagnosis so that if necessary a notification can be sent out to the other families if the children have been exposed to a contagious illness.

**Medication:** Medication for your child will be given to them as needed with permission from the parent. A form with written instruction and parental signature can be found in the office. This form must be filled out or we cannot legally give your child medicine. Please leave the medicine with a teacher to ensure safety. At the end of the day you will be given a form that says the times your child was given their medicine for your records as well as ours.
