Pray, Vote, Stand Prayer Guide | Week seven: Prayer for Government

Sunday, November 4

RIGHTEOUSNESS. Pray that we would have righteousness at every level of government in America, beginning in our homes, asking that God would rule in our hearts and minds.

Scripture: Psalm 33

Monday, November 5

RESPONSIBILITY. Pray that God would give His people an understanding of the responsibility that they have in selecting leaders that honor God. Scripture: Exodus 18:13-27; 1 Timothy 3

Tuesday, November 6

RECOGNIZE. Ask God to give Christians in America an understanding of the unique privilege they have to govern themselves. In America, we are Caesar. Therefore, voting is our most basic duty that we must render. Scripture: Matthew 22:15-22

Wednesday, November 7

RESTORE. Pray for a restoration of civic unity and order in America, which begins with an understanding of civil government's limited, but God-ordained role. Scripture: Romans 13

Thursday, November 8

REVERENCE. Pray for those who have been selected by the people to lead our communities, states, and our nation. Ask God to give them a heart of reverence for Him and His word, which is the foundation of understanding of the application of both justice and mercy. Scripture: 2 Samuel 22:1-4; Psalm 89:1-18

Friday, November 9

RESPECT. Pray that the people of America would have respect for the leaders that have been placed in positions of authority. Pray for them so that we might live in relative peace. Scripture: 1 Timothy 2

Saturday, November 10

RELIGIOUS FREEDOM. Pray specifically that elected leaders will continue the restoration of religious freedom in both our domestic and foreign policy despite the persistent efforts of those who want to reduce religious freedom to the freedom of worship. Pray that this restoration of religious expression leads to revival in our nation. Scripture: Exodus 5:1-3; Luke 21:12-19; 1 Corinthians 10:31; Galatians 5
