All the Little Children Preschool and Daycare

All the Little Children opened in the Fall of 2012. Our desire is to provide quality care in a loving environment and feed children through spiritual growth, nutrition, and academics. Our program offers **daycare** for ages infant through age five and morning **preschool** class from 8:30-11:30. We now offer an afternoon preschool class from 12:45-3:45.

Beginning this fall we will be jumping into year six of our program and can't
